FIFTEEN CENTS

## Wapon is Antioch's new varsity football coach

Steve Wapon, Antioch High School's new football coach, isn't predicting an undefeated or championship season in 1978, but he's enthusiastic about the returning talent.

"I don't think any school will have players who will outwork ours. We have athletes who will go all-out to improve," Wapon said.

Wapon, 32, was named varsity coach at last Thursday's school board meeting. He will replace Roy Nelson, who resigned after 16 years at the helm of the Sequoit varsity. Nelson will remain in the school's physical education department and possibly coach football at a lower level.

Steve Wapon

WAPON IS IN HIS 10th year at Antioch High School and has coached at the freshman, sophomore and varsity levels. He and Ted DeRousse were Nelson's assistants when the varsity almost won the conference championship two years ago.

"Ted and Steve were more responsible for that team's success than I was," said Nelson, in his customary manner of refusing to take credit. "I just looked after the

cheerleaders and made sure the water bucket was full."

DeROUSSE ALSO HAS BEEN in Antioch's football program for about 10 years but didn't apply for Nelson's job because he is the head wrestling coach and school district rules limit a man to one head coaching job.

Wapon is DeRousse's assistant in the wrestling program. They're close friends.

"Working with Ted is great because he's so darn knowledgeable," Wapon said.

Whether DeRousse will be an assistant varsity football coach next year isn't certain yet. Wapon indicated the athletic department will meet with its entire staff and determine assignments.

WAPON GREW UP in the Chicago area and played football at St. Mel High School. In his junior year he lived in Arizona and played football there. He also participated in basketball and baseball.

He majored in physical education at the University of Illinois and received his masters degree in education from the University of Arizona.

## Police personnel receive promotions

Three Antioch police personnel have been promoted by the Antioch village board.

Garnet Cook, police dispatcher, was promoted to the position of head communications officer effective Jan. 1 at a salary of \$6.04 per hour.

Patrolman Robert Lange was appointed assistant juvenile officer.

Also, full-time communications officer Dawn Stanczyk completed the required six month probationary period and was given permanent status.

In other village board business, the first payment of \$57,370 was okayed for the Rte. 173 and North Ave. water main extensions project to contractors Kuch and Ingram.

Also, \$3,839 was approved to be paid for the Sequoit Acres resurfacing and Anita Ave. reconstruction project to the Skokie Valley Asphalt Co.

In addition, a \$2,100 fee to Harland, Bartholomew and Associates for the review of the master site development plan for the village parks was approved.

Also, the date of the next building, permits, planning

and zoning committee meeting has been changed from Dec. 26 to Dec. 27 and the next regular village board meeting from 8 p.m. Jan. 2 to the same time Jan. 3.

The village board also met in executive session for about 15 minutes to discuss personnel matters.

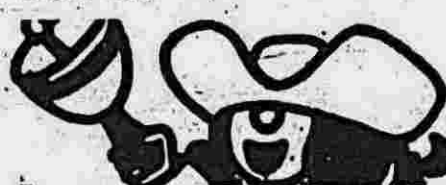

## Most stores closing next 2 Mondays

Most businesses in downtown Antioch will be closed on Mondays, Dec. 26 and Jan. 2, the days after Christmas and New Year's.

Bill Patterson, president-elect of the Chamber of Commerce, said:

"We took a poll and about 95 percent of the businesses and retail stores will be closed on those days."

So, people coming downtown to exchange presents might be better off to wait until Tuesday, Dec. 27. Besides, the Bears play Dallas on TV on Monday, Dec. 26.

No paper next week,  
have a nice  
Christmas

By JERRY PFARR

There won't be an issue of the Antioch News next Wednesday, Dec. 28, because traditionally we don't publish between Christmas and New Year's.

We'll be spending that time with our families, and also moving to our new location.

The Wednesday, Jan. 4, issue will be published from 952 Main St., the former Gambles store owned by Rudy Eckert. It's just one door south of our present location. We're very happy about the size and condition of our new offices and having Rudy for a landlord.

Although the Antioch News has been in existence for 92 years, this is only the fourth Christmas for the present staff. And it's an appropriate time to thank the people of Antioch for the tremendous support and acceptance they've given us since we came here in 1974.

The size of today's issue is a testimony to that support. How can we thank you?

Well, in 1978 we'll try to keep improving the Antioch News and extending our service to you folks who have made it possible for us to succeed here.

STEVE WAPON (left) was named varsity football coach at Antioch High School last week. He replaces Roy Nelson (center), who resigned. At the right is Ted DeRousse, the head wrestling coach who has been another top assistant to Nelson.

## THE TOWN CRIER

Jack Pardee called us Monday to say that if Bill Georgeson hadn't put on Bob Thomas's uniform and kicked that last-second field goal Sunday, it would be all over for the Chicago Bears.

As we all know, only a miracle saved the Bears from a terribly disappointing finish to their season.

This says something about the stupidity of playing important professional football games in the North in December.

On a field with good footing, Walter Payton would have gained between 100 and 200 yards and the Bears could have won without the miraculous cardiac finish.

Would professional golf hold the U.S. Open championship in New Jersey in December? No, the people who run the sport of golf are smart enough to follow the sun.

WE READ THE Chicago Tribune every morning and haven't heard a word about the Chicago Bears from Rick Talley since Dec. 5.

Talley, a sportswriter, had an article that day headlined:

"Bears probably won't get in -- they're not ready."

"Believe me ..." Talley wrote, "The Bears probably won't reach the playoffs and in this opinion, it's just as well. They're not ready."

Why so quiet lately, Rick?

### SOVEREIGN STATE of AFFAIRS

### Halas won't forget First National Bank

George Halas of the Chicago Bears came very close in the early 1930's to losing the football team he has built his reputation on.

But thanks to the financial aid of C.K. Anderson, then the president of the First National Bank of Antioch, Halas was able to purchase his partner Dutch Sternaman's half of the team for \$32,000.

In the Dec. 5 issue of Sports Illustrated, Halas explained his predicament which occurred in the Depression era.

HALAS SAID HE WANTED to buy out his partner, but to do that he needed to pledge everything, including his half of the team. The deal was that if Halas could not get the \$32,000 in time, Sternaman would get the Bears. Simple.

But because of the hard times, Halas said he just could not raise the last \$5,000 he needed.

However, in 1928 he said he invested in a development in

Antioch and he knew Anderson, who was the founder of the First National Bank in 1925. (Anderson died in 1948 at the age of 81 and was very active in civic and local political affairs.)

HALAS DECIDED TO VISIT Anderson and went to the bank president's office on LaSalle St. in Chicago. He explained his problem and Anderson agreed to loan Halas the \$5,000 he needed.

"I got the money to Sternaman five minutes before I

### IT'S THE MOST!

The most welcome advice a parent can give a son graduating from high school is to tell him where he can get on-the-job training and a good salary while he learns. In the Marine Corps, a new recruit has a pay and benefits package worth about \$7,768 a year.

The most valuable part of what the Marines have to offer—besides benefits that include dental and medical care, housing, food and 30 days paid vacation—may be the Options Programs. If a man qualifies, he is guaranteed before enlistment that he'll get training in a job field that's right for him.

WE RECEIVED Grace Mary Stern's annual Christmas poem, titled "YULE FOOL-ery."

Those of you who know the county clerk realize she has a whimsical sense of humor and a pretty whippy style of writing.

The poem is long, so we'll just quote the lines that apply to our district.

"Hear it now for District Four --  
How they carol, how they roar --  
Supervisors almost every;  
It's a double-dippers' reverie!  
Say 'So Long' to Fremont's Bell.  
He'll not run again. As well  
A fond farewell to Popp,  
For he and Murrie plan to stop  
Submitting to the Voters' will.  
Robin tho, of Grant, will still.  
Not to mention Chairman Geary.  
Voters never make him weary."

## Needy family finds plenty of friends

Mr. and Mrs. Jay Block and family of Lake Villa are going to have a Merry Christmas provided for them by friends and neighbors.

Through a series of operations Mr. Block has undergone, he has become blind. The Antioch Lions Club immediately offered its services to help him through the adjustments he must make.

MEANWHILE, HIS WIFE, Jo Block, has been trying to hold the family together. She worked at a nursery school, did babysitting in her home, and cared for her daughter Carrie, 6, and her son Allen 9. Both are students at Antioch's Oakland Grade School.

With Christmas less than a week away it was apparent that Santa may not make it to the Block home this year. That is, until one of Santa's elves appeared.

Phyllis Lucas, a member of the Lindenhurst Women's Club, heard about the Block family and through her efforts the organization, along with the Lindenhurst Men's Club, donated three baskets of food for the family's Christmas dinner.

Other Lindenhurst merchants also are contributing to the Block family.

## The Time Machine

50 YEARS AGO: DECEMBER 22, 1927

By special arrangement of the Antioch Woman's Club Santa Claus will be present Saturday evening for the program to be held around the community Christmas tree. All of the children of Antioch and the surrounding community are invited to come in to the Christmas tree celebration and Santa will have a gift of candy and an orange for each child.

Counties will have to take care of their own feeble-minded until crowded conditions at the two state institutions for the feeble-minded at Lincoln and Dixon are relieved.

Bert Chinn fell this afternoon while delivering papers and broke his leg.

Two more of the original subscribers to the Antioch News have renewed their subscription this week in order to take advantage of the \$1.50 rate. They are Richard Wilton of Lake Villa and T. Coole, both of whom recalled the days when the paper was organized and spoke of the newspaper and the community since that day.

Safety for the kiddies is one of the advantages which accompanies the use of electric lights at Christmas time. No longer need parents worry about the danger of sudden blaze from a burning candle detracting from the joys and pleasures of the merry Yuletide.

20 YEARS AGO: DECEMBER 19, 1957

Repairs are yet to be made to the front window of the Record Nook, 845 Main St., where at 10 a.m. last Thursday a driverless semi-trailer truck crashed.

Many Christmas parties have been held during the past week and will continue up to Christmas, but the outstanding event of the community will be the Christmas formal dance sponsored by the Senior class to be held from 8:30 to 11:30 p.m. Saturday at the school gym.

This year's formal is entitled "Mistletoe Magic" and the highlight of the evening - a part of the magic - will be the crowning of the king and queen and the presentation of her court.

Judging of the Christmas Home Decorating Contest sponsored by the Moose Lodge will be held Sunday evening. All homes within the village will be judged, and those outside the village which would be entered in the contest are to be listed on a card giving location and mailed at once to Moose Lodge No. 525 P.O. Box 561.

Mayor Raymond Toft, Jerry Babb, Laverne Woods, Russell Barnstable and Dale Starkey help with ribbon cutting ceremony at the official opening of the First National Bank of Antioch's Satellite Facility in Orchard St. Plaza. Naturally the bank's ribbon was made of money.

The village board has decided to turn down an offer by Charles Cermak, agent for William Keulman, to sell the Roller Rink on Broadway to the village for \$65,000. The board felt that the price was too high at this time.

Letters to Santa - Dear Santa Claus, For Christmas I would like a bicycle, ring, clock, dresses, shoes, pants, boots and a organ. My little sister would just like dolls. Well for my brothers just get them a lump of coal. My mother would be glad if you would get them a lump of coal. Santa, I wonder if my mother would look good in a mini-dress? Or maybe you could get her a playtex girder because she says that she is fat. Love, Sheri Horton, 4th grade.

Dear Santa Claus, I think you are a foney. I never believed in you. But anyway I still want presents. Can you guess what I want? I want a boe and arrow, a racing set and an enigen for my train set because my other one broke. Yours truly, Kurt Flint, 4th grade.

## First Bank accepting real estate taxes

Real estate taxes will be accepted at First Bank of Antioch until Jan. 13th, the deadline date.

"Customers wanting to claim their taxes on this year's income tax must pay by 12 noon on Dec. 31," said Carolyn Van Patten mortgage officer for First Bank.

Mrs. Van Patten said any taxes collected on the 31st will be credited for this year. The bank will be open until 12 noon on that day before closing for the New Year's holiday.

## Plan to demolish village 'eyesore'

Bids ranging from \$6,800 to \$36,240 for the demolition of the Willowdale Dairy building adjacent to Williams Park were accepted and placed on file Monday night by Antioch village trustees.

Mayor Michael J. Haley said a contract will probably be awarded at the next village board meeting Jan. 3.

Antioch has received a grant from the federal block grant program, Village Clerk Marilyn Sterbenz explained, for the improvement of the entire area.

"THE LESS SPENT on the actual demolition of the dairy building, the more we have to spend on landscaping and other improvements," she pointed out.

Nine companies proposed bids for the removal of the eyesore.

They included: Spedway Wrecking Company of Chicago - \$27,250; E. and E. Hauling of Bloomingdale - \$14,945; Emergency Demolition Contractors of Chicago - \$29,700; Also, Schneider Trucking of Lake Villa - \$26,495; Brandenburg of Chicago - \$13,700; Campanella and Sons of Wadsworth - \$36,240; E and D Robinson of Gurnee, \$6,800; Fox Trucking and Excavating of Antioch - \$35,100, and Ed Watts of Spring Grove - \$29,800.

Haley said he would give all the bids to committee for further study so that a recommendation could be made at the Jan. 3 board meeting.

## Antioch men seek election to county board

Three Antioch residents, including the township assessor, have filed nominating petitions for seats on the Lake County Board, District 4.

The primary election for office will be held Mar. 21 with the general election scheduled for Nov. 7.

Those who have filed petitions include: Frank ReCupido - Democrat; John L. Steitz Jr. - Republican; and R.G. (Bud) Holtz - Republican, who is also the Antioch Township assessor.

A total of 40 candidates for the 14 offices available filed petitions on the first day for entering the primary

elections.

However, about one month ago the number of office hopefuls was a mere 26 and interest in county board seats appeared to be lacking.

In the primary, voters will elect three board members from each party in District 4. From a total of 24 primary survivors in the 5 districts, voters will select half that amount in the general Nov. 7 election.

In District 4, two local incumbents have decided not to run for re-election. They are Lloyd (Red) Murrie of Antioch and Fred Popp of Lake Villa.

## 4 forecasters predicted the 3-point win

North Chicago's basketball team was favored to beat Antioch by nine points (that's what the so-called experts said) but four Antioch fans accurately predicted that the Sequoits would win by three in their game here last Saturday.

The four fearless forecasters in the Antioch News' weekly basketball contest were Betsy Houghton, George Boyd, and Mr. and Mrs. Bernie Gutowski.

So we had to use the tie-breaker to determine who won the three prizes. In the tie-breaking game, Antioch trimmed Grayslake by 26 points. Betsy Houghton came closest when she picked Antioch by 11, so Betsy will

## To get deduction, pay tax bills now

The State Bank of Antioch reminded taxpayers this week that the final installment on 1976 real estate taxes is due Jan. 13.

Lake County's property tax bills began arriving in the mail last week.

The county collector's office said the penalty date, as shown on the face of the bill, is Jan. 13, "but if you wish to claim this payment as a deduction on your 1977 income tax return your payment must be made or postmarked no later than Dec. 31."

THOMAS KELLY, PRESIDENT of the Antioch Savings & Loan Association, said mortgage holders at his financial institution must pay their Lake County tax bills by 12 noon on Dec. 24 to assure payment by Dec. 31.

receive a \$15 savings account at the State Bank of Antioch. George Boyd was second, picking Antioch by 10, and will receive a \$10 gift certificate from A&B Printing Service.

Bernie Gutowski selected Antioch over Grayslake by 9 points and his prize will be a \$5 gift certificate from Swan's Liquors.

Bernie's wife, Shirley, winner of several previous football and basketball contests, picked Antioch over Grayslake by 7 points and this week merely receives our congratulations and best wishes for a Merry Christmas.

## Gift of time and love will make this Christmas perfect

If you're looking for a gift for mother that's easy on the budget yet filled with loving thoughts, why not give her a promise of your time and help for Christmas?

It might take the form of so many days work of after-dinner clean up and dish duty. Or an offer to take over the ironing for a week... or a month!

Even a vow from teenagers to keep a close-to-spollless

room in the upcoming year will make any mother beam with contentment.

Make a list of all of the jobs your mother has to do—just in one day!—and see where you can be of help to her.

Then, make a vow to yourself to keep the promise of your gift and you'll be well on your way to giving mother one of the best Christmas presents ever!

## Mr. Teague resigns at high school

The Antioch High School board of education last week accepted the resignation of Ivan Teague as mathematics teacher.

Mr. Teague will retire at the end of the first semester. He has taught in the district since 1959.

Business manager Ken Wierschem was authorized to seek bids on two new school buses.

The board approved the use of its building by the Antioch Parks and Recreation department for soccer programs. The county clerk's office will hold an election judges' workshop at the school.

Principal Arthur Blecke told the board of the dissatisfaction of the Association of Suburban Conferences with the current Illinois High School Association legislative commission's position on representation.

"The current structure does not adequately reflect the present student population pattern in the state," he said.

W. C. Fields' real name was Claude William Dukenfield.

A "CADET COMMENDATION" was presented to Kim Herbst of Antioch at the annual Army ROTC awards assembly at Northeast Missouri State University. The ceremony recognized the achievement of military students at the university. Kim, the daughter of Mr. and Mrs. William J. Herbst of Alima Terrace in Antioch, is a freshman at Northeast Missouri.

## Marilyn Sterbenz, Sue Koppa tie in contest

The folks at the village hall were the winners in the Antioch News basketball contest to pick the outcome of the game between the Sequoits and Round Lake.

Antioch won by 24 points and that's exactly what Village Clerk Marilyn Sterbenz and the parks and recreation coordinator, Sue Koppa, predicted.

They also tied in the tie-breaker, forecasting a 20-point victory for Antioch's sophomores, who won by 26 points.

SO MARILYN AND SUE you will split the first and second prizes. Each will receive \$7.50 from Bob's Septic

and Cement Service plus a \$5 gift certificate at Gibbs and Jenssen's "Carousel."

Jayce Redmer of Burlington also picked the varsity to beat Round Lake by 24 points, but he forecast only a 16-point win for the sophs. So Jayce will receive the third prize, a \$5 gift certificate from Swan's Liquors.

All prizes will be in the mail this week.

Coming close in the Round Lake contest were Mark Stewart and Mike Anderson, who picked Antioch by 23 points, and Betsy Houghton and Barb Bailey, who said the Sequoits would win by 26.

## Bread dough art is fun!

Christmas decorating can be fun and creative for the entire family by adorning trees, windows and fireplaces with inexpensive and easy-to-make bread dough art.

Yuletide ornaments such as stars, wreaths, hearts and various free-form designs are created from dough shaped into a desired form, then baked to dry for painting.

In conventional ovens the drying of bread dough ornaments takes one-half to one full hour, but with a microwave oven this process lasts only three minutes.

For microwave owners "Bread Dough Art," a brochure by Panasonic, provides step-by-step information on the basics, tools, creating, drying and finishing of bread dough ornamentation.

Learn how to create bread dough art by sending for a free copy of "Bread Dough Art" to: Panasonic Company, Home Appliance Division, One Panasonic Way, Secaucus, N.J. 07094.

## All about town ...

By LINDA WALKER

It is very difficult to find the correct words to wish our many friends Seasons Greetings. There are many verses that convey peace and good will, but I think Pearl S. Buck summed it up with the following message:

### CHRISTMAS IS WARMTH

Christmas is the warmth of chestnuts roasting on an open fire ... the warmth of a tree aglow with lights and the scent of evergreen in the living room.

Christmas is the warmth of a kitchen when cookies are baking ... the warmth of walking arm in arm on a starry winter night.

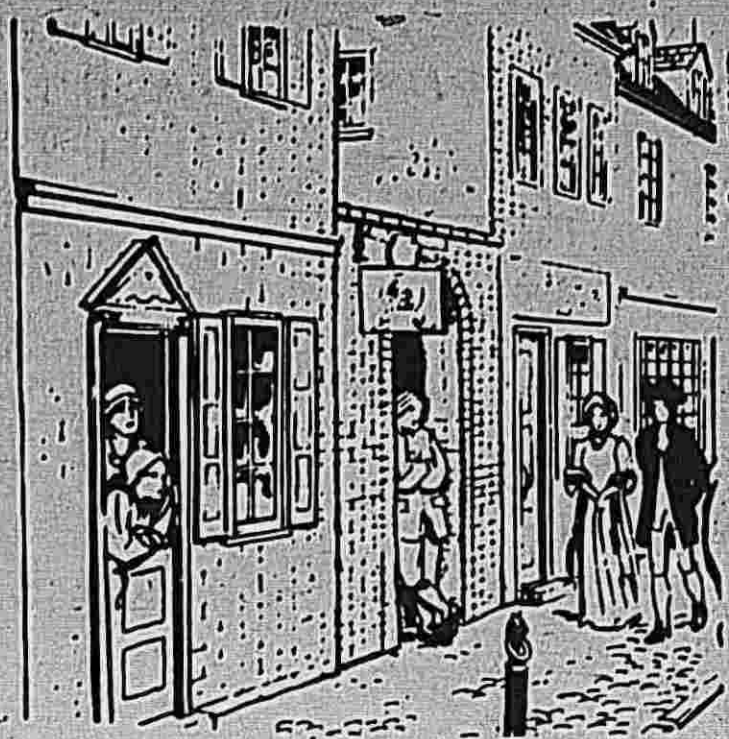

Christmas is the warmth of friendships renewed, a kiss on the cheek, a firm handclasp or a "Merry Christmas" from a passerby. It's the warmth of bells and carols making again the promise of "Peace on Earth," and the hope in our hearts that it shall be so.

THE PAST YEAR has brought about great changes, triumphs, and, of course, an occasional problem. Still, I feel extremely proud of our growth, both in friends and business adventures.

I thank everyone who has helped The Antioch News

grow, and hope we can continue to serve the community. I sincerely wish all my friends, family and business associates a very Merry Christmas.

## High School students show Christmas spirit

In celebration of the holiday season the student body of Antioch High School is engaging in a variety of activities. Student Council is sponsoring a Christmas food drive. The student body and faculty members are contributing money. Presently, more than \$400 has been collected. Student Council members said this sum surpasses greatly the amount collected a year ago. They will shop at area stores for the food that will be distributed to needy families in the school district.

Also, there will be a Student Council Christmas assembly.

The assembly will include the school band performing music from its Christmas concert, the Choir singing numbers from the choral concert, and a skit performed by the cheerleaders.

The activity will be highlighted by a visit from Santa. The assembly will be held this Wednesday afternoon.

# Charged with possession of marijuana

A 24-year-old Spring Grove man was arrested by two Antioch patrolmen early Tuesday morning and charged with the possession of two pounds of marijuana.

Assistant Police Chief Chuck Miller said the man, John P. Johnson, was also charged with the possession of a concealed weapon and driving with a suspended driver's license.

Officer Charles Watkins explained that at 1:22 a.m. Tuesday he and patrolman Robert Lange stopped a yellow Volkswagen with faulty taillights for a routine traffic check.

THE DRIVER COULD NOT produce a driver's license and said he had lost it. While checking on the license, Lange discovered that it had been suspended indefinitely.

Lange also noticed seeds scattered on the front seat and a hand-rolled cigarette in a clip which he suspected to be marijuana, Miller said.

After inspecting the car, the policemen found two large plastic bags containing green leafy substances, Miller said, which later were confirmed to be marijuana.

THEY ALSO FOUND a switchblade knife in Johnson's pocket after a routine search.

Miller said the charge of possession of marijuana is classified as a felony since the amount is over 500 grams. Johnson was taken to Lake County court for a bond hearing on the three charges.

## Sewage plant repairs won't affect water

By SUE NASENBENY

The Antioch village board Monday night authorized its superintendent of public works, Walter Shepard, to initiate repairs on the Antioch sanitary plant.

The first stage of repairs will cost an estimated \$1,600, Shepard said, but the final repair project could run as high as \$13,000.

Last April a similar breakdown occurred with one of the sewage plant's filters and cost the village more than \$9,000, and repairs took two weeks to complete. Shepard explained.

THE CURRENT BREAKDOWN involves the third

stage of the treatment plant including the final tertiary filters.

Shepard pointed out that this time repairmen will be fighting the weather and adjustments could take up to three weeks.

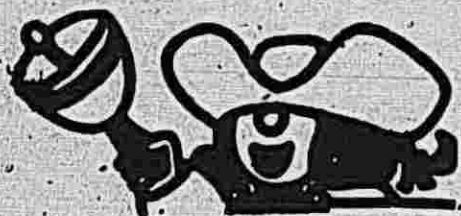

IN THE MEANTIME, the lagoon of Sequoit Creek emphasized that, "At any point, we won't be dumping raw sewage into the creek."

Shepard said a contractor will be contacted to "take the sand out of the filters for the first stage of the repairs."

The breakdown occurred, he said, when the motion of the water and water pressure forced bolts to break on sewage wells. The plates must now be re-welded.

Shepard added that he had no specific contractor in mind for the needed repairs.

# Antioch wrestlers tie Round Lake, beat 2 others

Antioch remained undefeated on the wrestling mats as the Sequoits escaped from their Round Lake duel last Thursday with a 23-23 tie.

But they easily overpowered Libertyville 32-10 and Stevenson 49-12.

Antioch started fast against Round Lake with pins by Dave Unrien, 98 lbs., and Jon Gibson, 105, but lost close decisions at 112 and 119.

Marvin Gibson won at 126 but the Sequoits lost a close decision at 132, tied at 138 and lost another heartbreaker at 145.

Round Lake took the lead with a pin at 155, but Gene Lehn won at 167 to put Antioch on top by three points.

A loss at 185 put the pressure on heavyweight Rich Packert. Rich came through with a 6 to 3 win to tie the meet 23-23.

SATURDAY ANTIOCH TRAVELED to Libertyville to wrestle non-conference foe, plus conference opponent Stevenson.

The Libertyville meet was a return home for Coach Ted DeRousse. He graduated from Libertyville and was a member of one of its first wrestling teams. It was the first time he had taken a team against his alma mater.

The Sequoits started off strong with wins by Unrien, Jon Gibson, Tim Haviland, 112, Jeff Gross, 119, and Marvin Gibson, 126.

Jim Fasnacht won at 132 and Chuck Bogaerts at 138 to run the score to 27-0.

Mike O'Hara at 185 and Packert also won to put the final score at 32-10.

THE STEVENSON MEET was a picture of Antioch dominance as the Sequoits won the first eight weights. Dave Aschbacher, 185, and Packert finished the meet with victories.

ANTIOCH TRIPLE WINNERS were Unrien (7-0), Jon Gibson (11-0), Marvin Gibson (8-3) and Rich Packert (9-2).

The most impressive wrestler over the weekend was Packert.

"All of Rich's opponents were good wrestlers with winning records," Coach DeRousse said.

The Sequoits face two major tournaments over the holidays. The first will be the Holiday tournament at Glenbrook South in Glenview, Dec. 22-23, with sessions at 1 and 7 p.m. on both days.

The tournament features strong teams from the northern and western suburbs.

After Christmas Antioch will wrestle in the Lake County tournament at Mundelein on Dec. 27 and 28.

## How a man who hates to lose beats the elements.

Ara Parseghian doesn't like to lose football games—or anything else. And that includes losing on his heating and cooling bills.

So Ara has a winning strategy that beats the elements and saves him—and you—money.

### "Caulk Those Cracks"

A great amount of air can leak in and out through window frames and around doors. These drafts play

havoc with heating and cooling costs. So seal those openings with caulking and weather stripping.

### "Draw Those Drapes"

Drapes and blinds can help act as insulation. Close them to block out the winter cold at night, and to shut out the summer heat. Open them on winter days to let sunlight warm the air.

### "Shut That Door"

It's just plain common sense to shut the

door to keep warm or cold air inside. But don't forget attic, garage and basement doors, too.

### "Now Get Out There And Fight"

Follow these important tips and win the battle against summer heat and winter cold. Save money. Save energy. You know it hurts to lose.

## Frosh wrestlers keep improving

Antioch's freshmen wrestlers continued to improve as they traveled to Round Lake and Niles North this past week.

On Thursday the Sequoits visited Round Lake and lost a heart-breaking decision to the rugged Panthers, 36-31.

The young Sequoits battled back the entire evening and, at one point, trailed by 27-7.

Going into the heavyweight match, Antioch had taken a 31-30 lead, but was unable to complete what would have been a tremendous rally.

The loss left the Sequoits with a 2-3 dual meet record for the season.

On Saturday, the Sequoits traveled to the Niles North Invitational tournament.

Antioch place winners were: Dan Larsen, 105 pounds, champion; Ted Bessette, 155 pounds, champion; Bob Hubbard, 175 pounds, 2nd place; Jeff Canella, 119 pounds, 3rd place; Steve Jennerich, 138 pounds, thrid place, and Bruce Nelson, 126 pounds, 4th place.

Team scores were: Maine North 152, Conant 142, Barrington 115, Libertyville 103, Antioch 91½, Notre Dame 77, Loyola Academy 45, Niles North 15.

## Frosh cage teams stay unbeaten

Antioch's frosh basketball teams remained undefeated in conference play by easily downing the Grayslake Rams last Saturday.

The "A" team triumphed 60-23 as four players tallied in double figures. Mark Pomazak was high scorer with 16 points. Dan Maras and Tim Koesser each added 11 and Pete Weber

10. Pomazak and John Eckert led in rebounds with 7 each and Koesser led in assists with 5.

Coach Norm Hahn was pleased with the easy win.

"It was a good game all around," he said. "We shot well from the field (57 percent) and the free throw line (76 percent), hustled

Antioch freshmen are hosting an eight-team tournament this week. Play began Tuesday and continues Wednesday and Thursday. Four games each night begin at 6 p.m.

## Upper Grade wrestlers off to good start

Last week the Antioch Upper Grade School wrestling team suffered its first loss of the season against Lake Zurich, 41-35.

The Antioch Apaches started the match at poor odds, having to forfeit 18 points due to a lack of heavier boys to wrestle the upper weights.

However, the score became closer and closer toward the end and, at one time, the Apaches actually went ahead.

"The boys all wrestled well and put forth a great team effort against overwhelming odds," said Coach Ken Anderson.

Winning for the Apaches were Frank Heiselman (75 lbs.) Greg Pahlke (95), John Oelkers (105), Peter Kessler (100), Andy Lehn (118), John Wohlfeil (112) and returning state qualifier from last year, George Bessette (125 lbs.).

ON SATURDAY the Apaches' beginning novice

wrestlers participated in the DeKalb Invitational tourney. Of the boys entered, 55 percent placed in the competition.

Winning championships were Steve Case (80 lbs.) and Brad Larson (90).

Placing second were Andy Lehn (112 lbs.), Jeff Gibson (95) and Tibor Jung (125).

Ed Silva (105 lbs.) placed third.

First in the consolation bracket were: Jim Wais (75), Tim Curtis (80), John Weldon (90), Mike Evans (95) and Carroll Osborne (95).

Second in the consolation bracket were Bob Tarsitano, Mike Holbeck, Dave Pinkham, Tim Breston and Tracy Mjelke.

The Apaches wrestle again at Woodstock on Jan. 4 at Olsen Junior High, at 4 p.m.

## Perrone's 29 leads CLC win

Mike Perrone, one of the best basketball players to star for Antioch High School in recent years, scored 29 points last Saturday to lead the College of Lake County to victory over Moraine Valley Junior College.

The Lancers won 72-66 as Perrone swished 23 points in the second half.

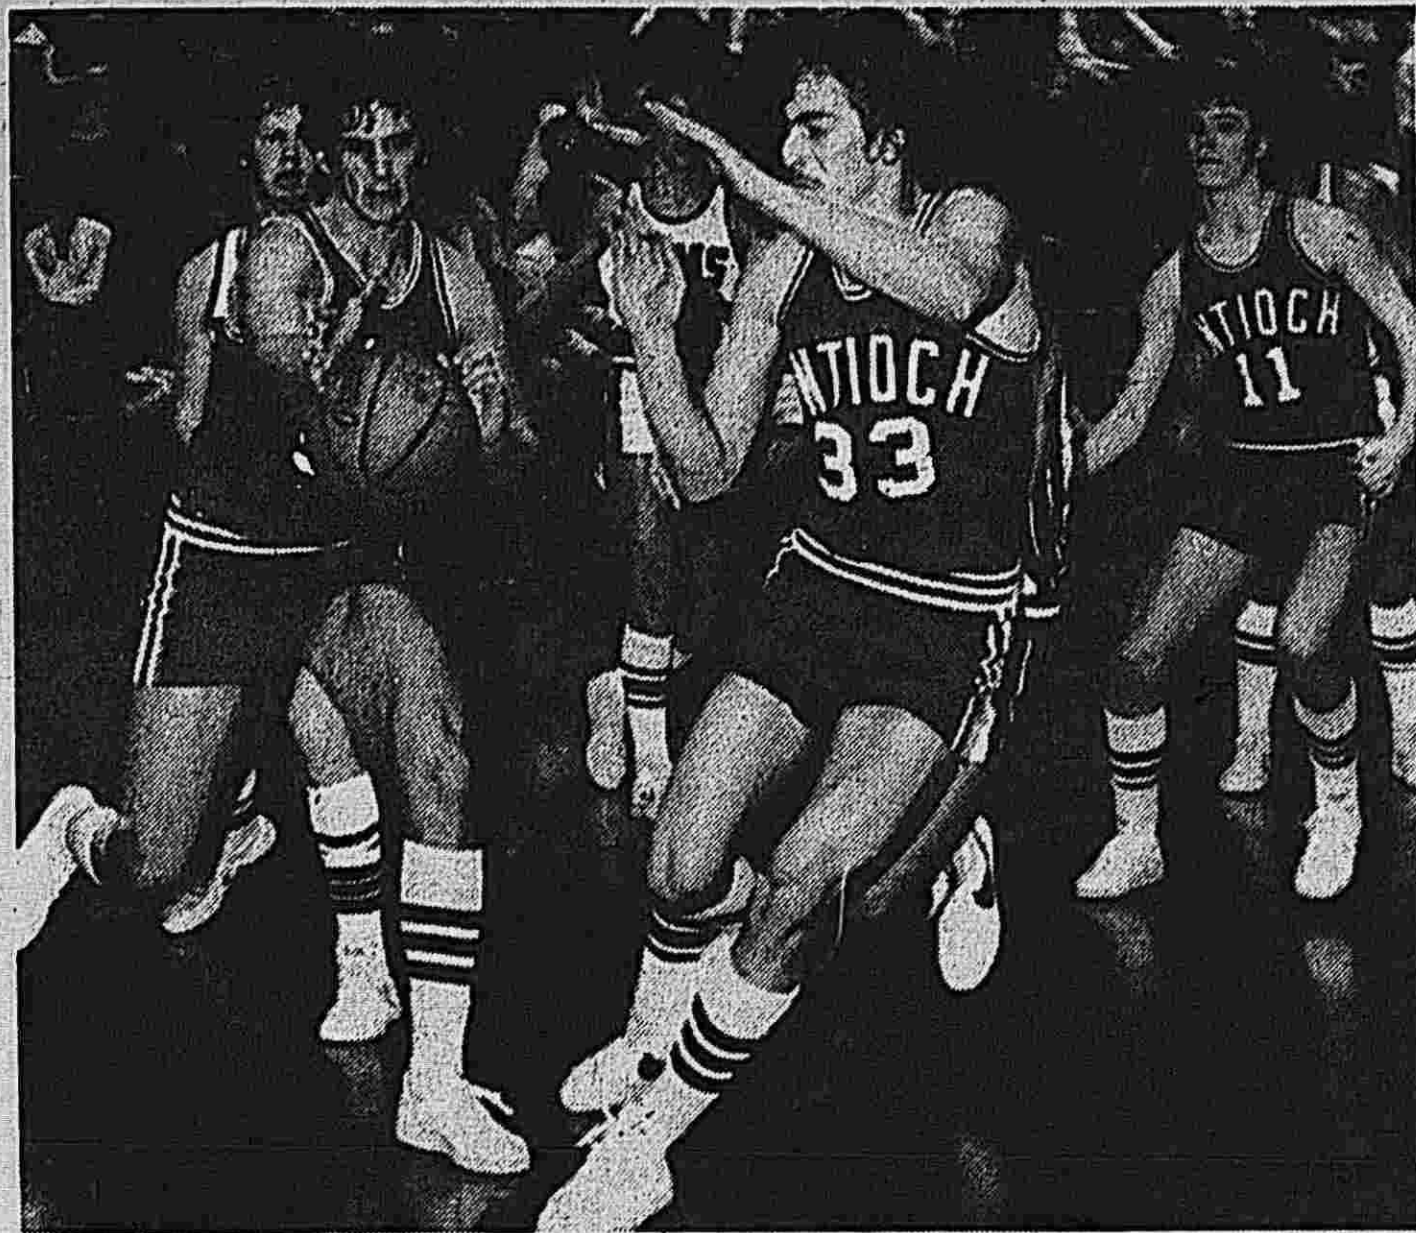

"This is the best game Perrone's had," Coach Bruce Smith said. "We didn't do anything special to get him the ball until the end of the game. He just shot very well and played smart basketball."

Perrone hit eight of nine shots from the floor in the second half.

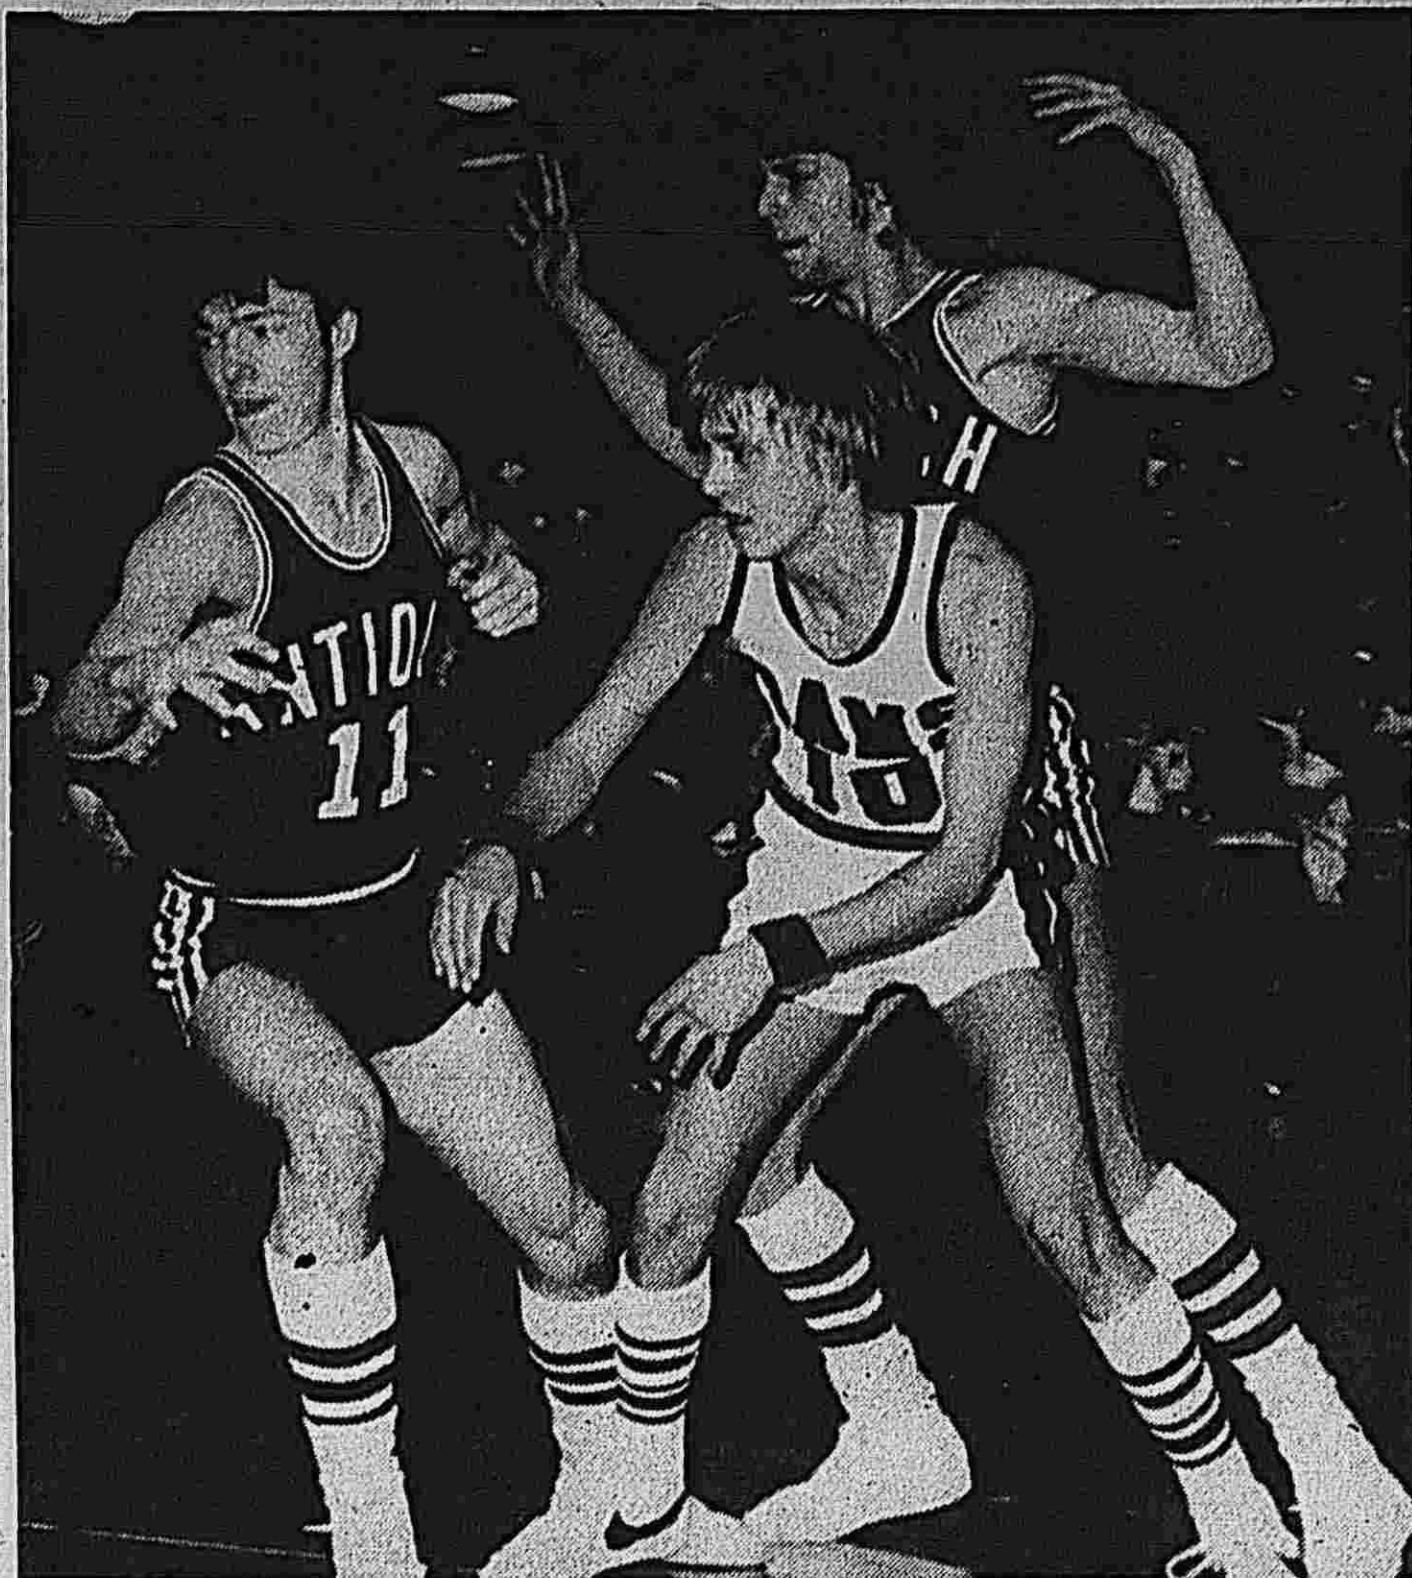

## SPORTS SHORTS

Rick Sedar and Brandon Abear, 1974 graduates of Antioch High School, have completed the 1977 football season on Monmouth College's varsity squad.

The Fighting Scots had a 3-2 record in the Midwest Conference's west division for third place. Overall, the Scots completed the season at 5-4 - the eleventh consecutive winning season for Monmouth.

THE REASON THERE ARE so many dark jerseys in this picture is because it was "all Antioch" in last Friday's conference game at Grayslake. The Sequoits won 75-49, boosting their league record to 3-0. Antioch players, from left to right, are Tim Huebner, Tracy Sodman and John Eder.

WHERE DID THE BALL GO? It's hard to score baskets without it, but Antioch got its hands on the ball often enough to whip Grayslake 75-49 last Friday. Antioch players above are John Eder and Bill Dubek. (Photos by Paul Maplethorpe.)

## Sophs play some interesting games

The Antioch sophomore basketball team slipped to second place in its conference Friday night, losing to the Grayslake Rams 38-33.

Following an earlier 65-39 win over Round Lake, the loss left the sophomores with a conference mark of 2-1.

The Round Lake game was decided early as the Sequoits pressured the Panthers into numerous turnovers. A total of 11 Antioch players entered the scoring column, with Kurt Selak and Chris Kempinski leading with 16 points each.

On Friday night the host Rams got off to a poor start as the Antioch defense kept them off the scoreboard for the entire first quarter. However the Sequoits' offense was having problems of its own and could connect on only five field goals in the entire first half.

Grayslake awoke in the second quarter to score 16 points and take a 16-11 halftime lead.

The second half was almost as poorly played as the first with neither team able to take charge. Antioch took the lead three times in the second half but just could not hang on against the inspired Rams. Each team converted only 13 field goals, and Grayslake's 12-7 edge from the free throw line provided the margin of victory.

THE YOUNG SEQUOITS played host to North Chicago on Saturday and were anxious to make amends for Friday's lackluster performance. In an exciting game, North Chicago scored on a last second tip-in to escape with a 40-39 victory.

Kempinski scored a driving layup with 9 seconds remaining to give Antioch a 39-38 lead. North Chicago raced down the floor only to turn the ball over to Antioch with 4 seconds showing on the clock. Unfortunately one of the officials ruled that the Warhawks had called for a time-out with 7 seconds remaining.

After adding 3 seconds to the clock, North Chicago inbounded the ball and threw two unsuccessful shots at the basket. Antioch could not control the rebound and a final Warhawk tip spun around the rim and dropped through as time expired.

It was a heartbreaking loss for the Sequoits but gave a good indication of the kind of play they are capable of, Coach Don Zeman said.

The sophomores now take the floor in the Zion Christmas tournament, playing Carmel this Wednesday at 8 p.m. at the Zion Horizon campus.

# Sequoits whip 3 foes, including North Chicago

Antioch High's basketball team attained new heights last Saturday by defeating "the top team in Lake County," North Chicago, 56-53.

The game, played in Antioch's gym, was called by

Coach Roger Andrews "super exciting and great from the Antioch standpoint."

The Sequoits played their best game of the season so far, the coach said. They led the entire way by margins ranging from three to eight points.

North Chicago is the leader of the tough North Suburban conference. Antioch now leads the North Division of the Northwest Suburban Conference. (That's a lot of "Norths" in the last two sentences, but actually last Saturday Antioch was as hot as the Deep South.)

"IT REALLY WAS a fine team effort," Coach Andrews said. "Bill Dubek probably had the best game of his career as he played a total, complete basketball game... super defense, aggressive board play and fine floor shooting."

Dubek led the Sequoits with 24 points, seized eight rebounds and caused North Chicago to commit several turnovers.

The Waukegan News-Sun had called North Chicago a nine-point favorite.

Coach Andrews praised the playmaking and ball-handling of Dave Gutowski and Dennis Korjenek. Also, Brian Andrews contributed 14 points and John Eder 8.

"The defense and board work of Tracy Sodman and Tim Huebner helped control the powerful front line of North Chicago's Warhawks," Andrews said. "I'm really proud of this team. We have some fine players, good depth and great young men."

THE NEXT ASSIGNMENT for the Sequoits is Tuesday, Dec. 27, when they play at 3:30 p.m. against Chicago Mendel Catholic in the Rockford Holiday Classic. The tournament lasts through Friday, Dec. 30.

Antioch now shares the North Division lead in its conference, having a 3-0 record -- same as Stevenson. Warren ranks third with a 2-1 record.

The Sequoits will return to conference competition on Friday, Jan. 6, with a home game against Grant's Bulldogs (1-2 in the standings).

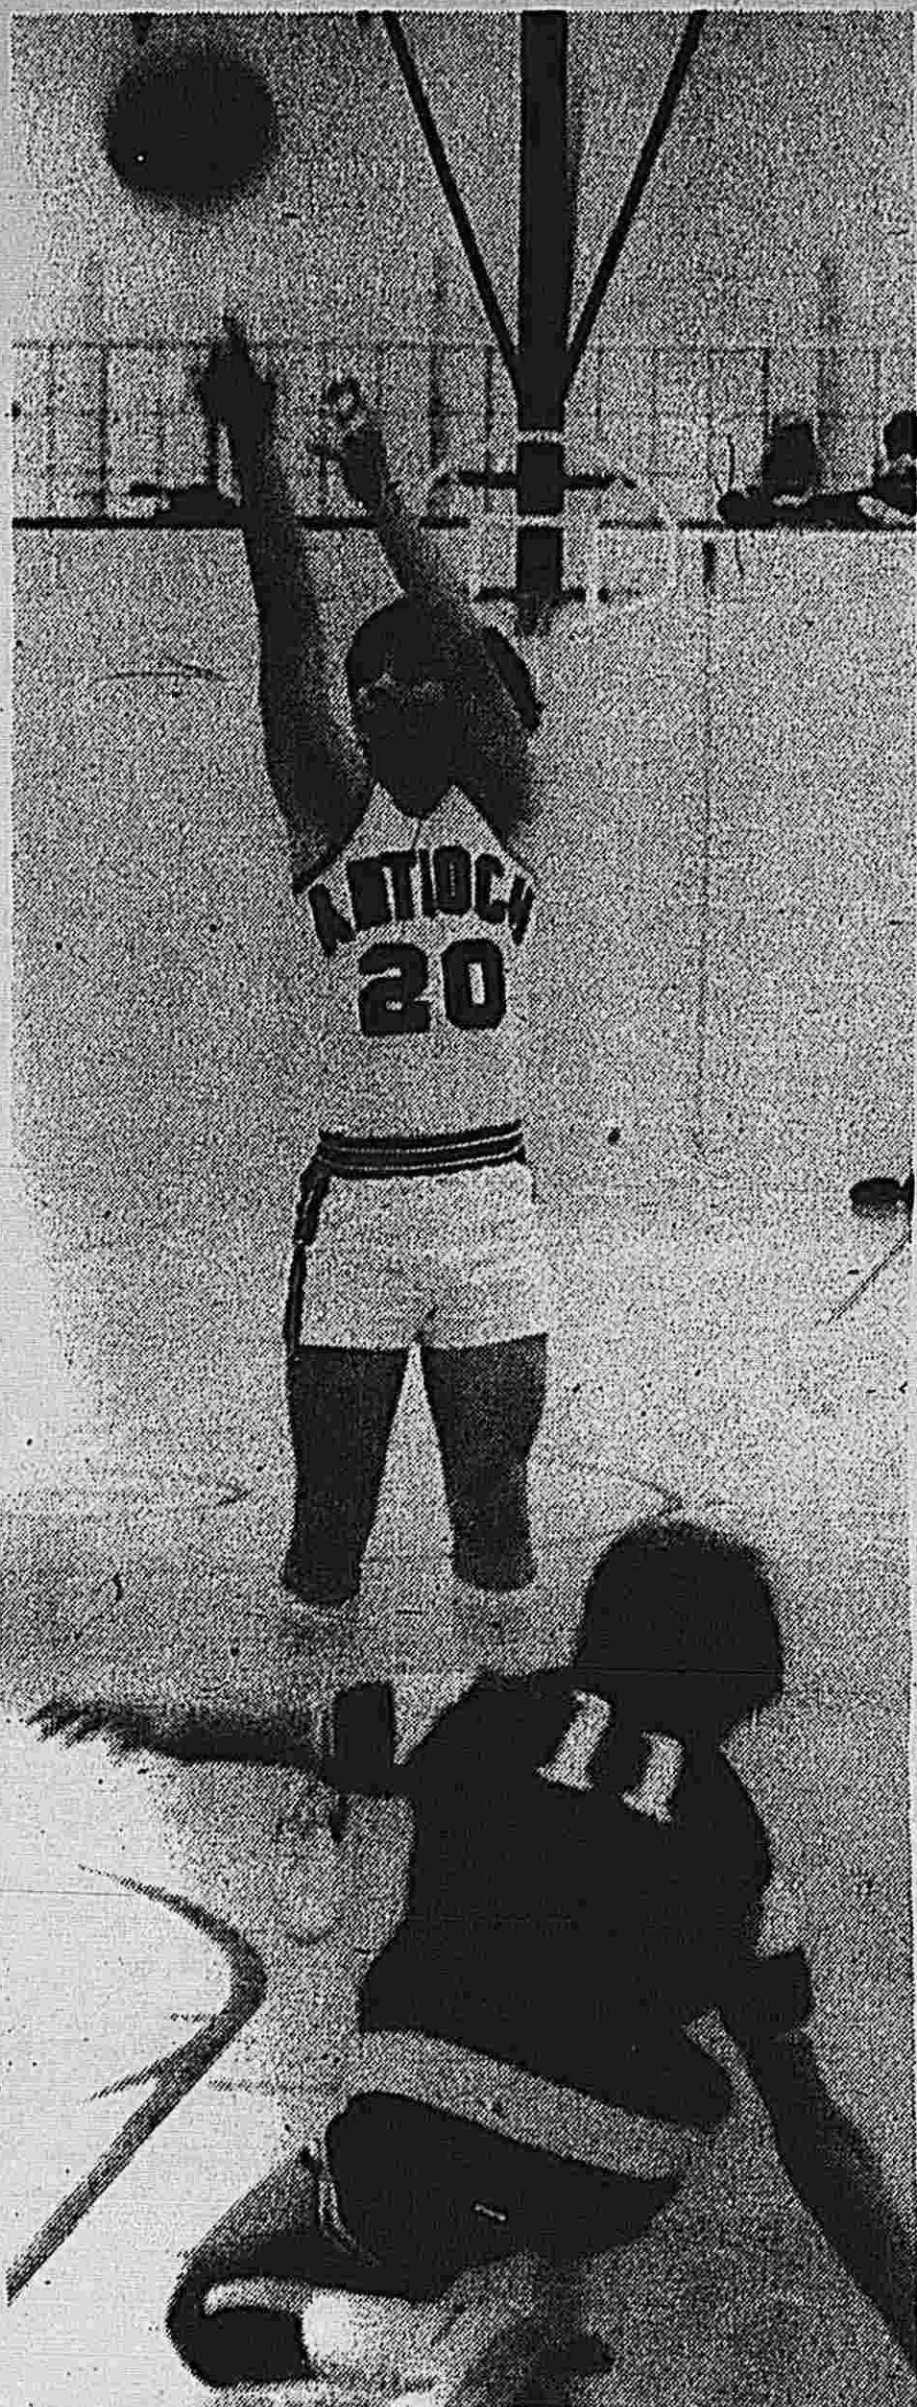

Then, on Saturday, Jan. 7, Antioch plays at Stevenson in a duel of the teams that are unbeaten so far in league play.

ON TUESDAY, DEC. 13, the Sequoits scored a 62-38 win over Round Lake as Eder led the way with 18 points. He swished 9 of his 14 field goal attempts. Tim Huebner pulled down 9 rebounds.

Then, last Friday, Antioch traveled to Grayslake and gained its third straight conference victory, 75-49.

Andrews, Huebner and Eder each drilled in 16 points. Reserves were used in the final quarter so the starters could be rested for the big Saturday night match with North Chicago.

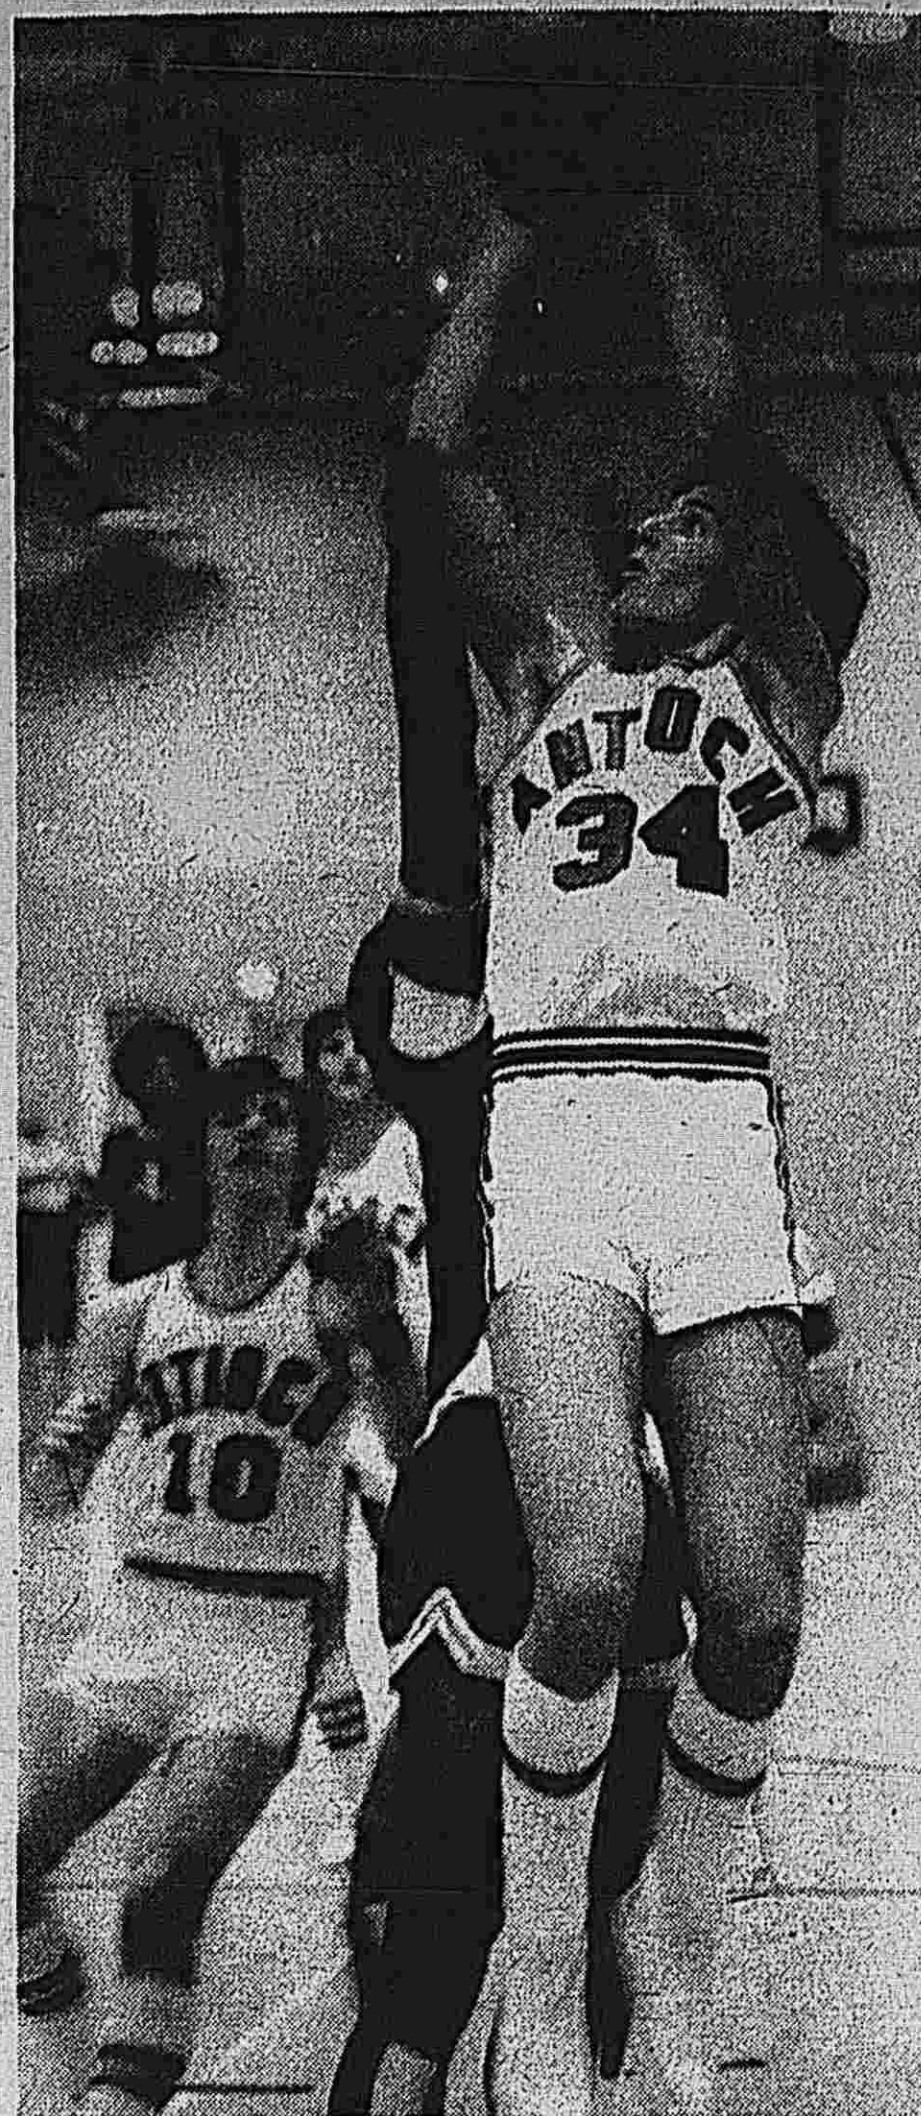

"Our reserves show a lot of hustle and are pushing the regulars real hard," Coach Andrews said.

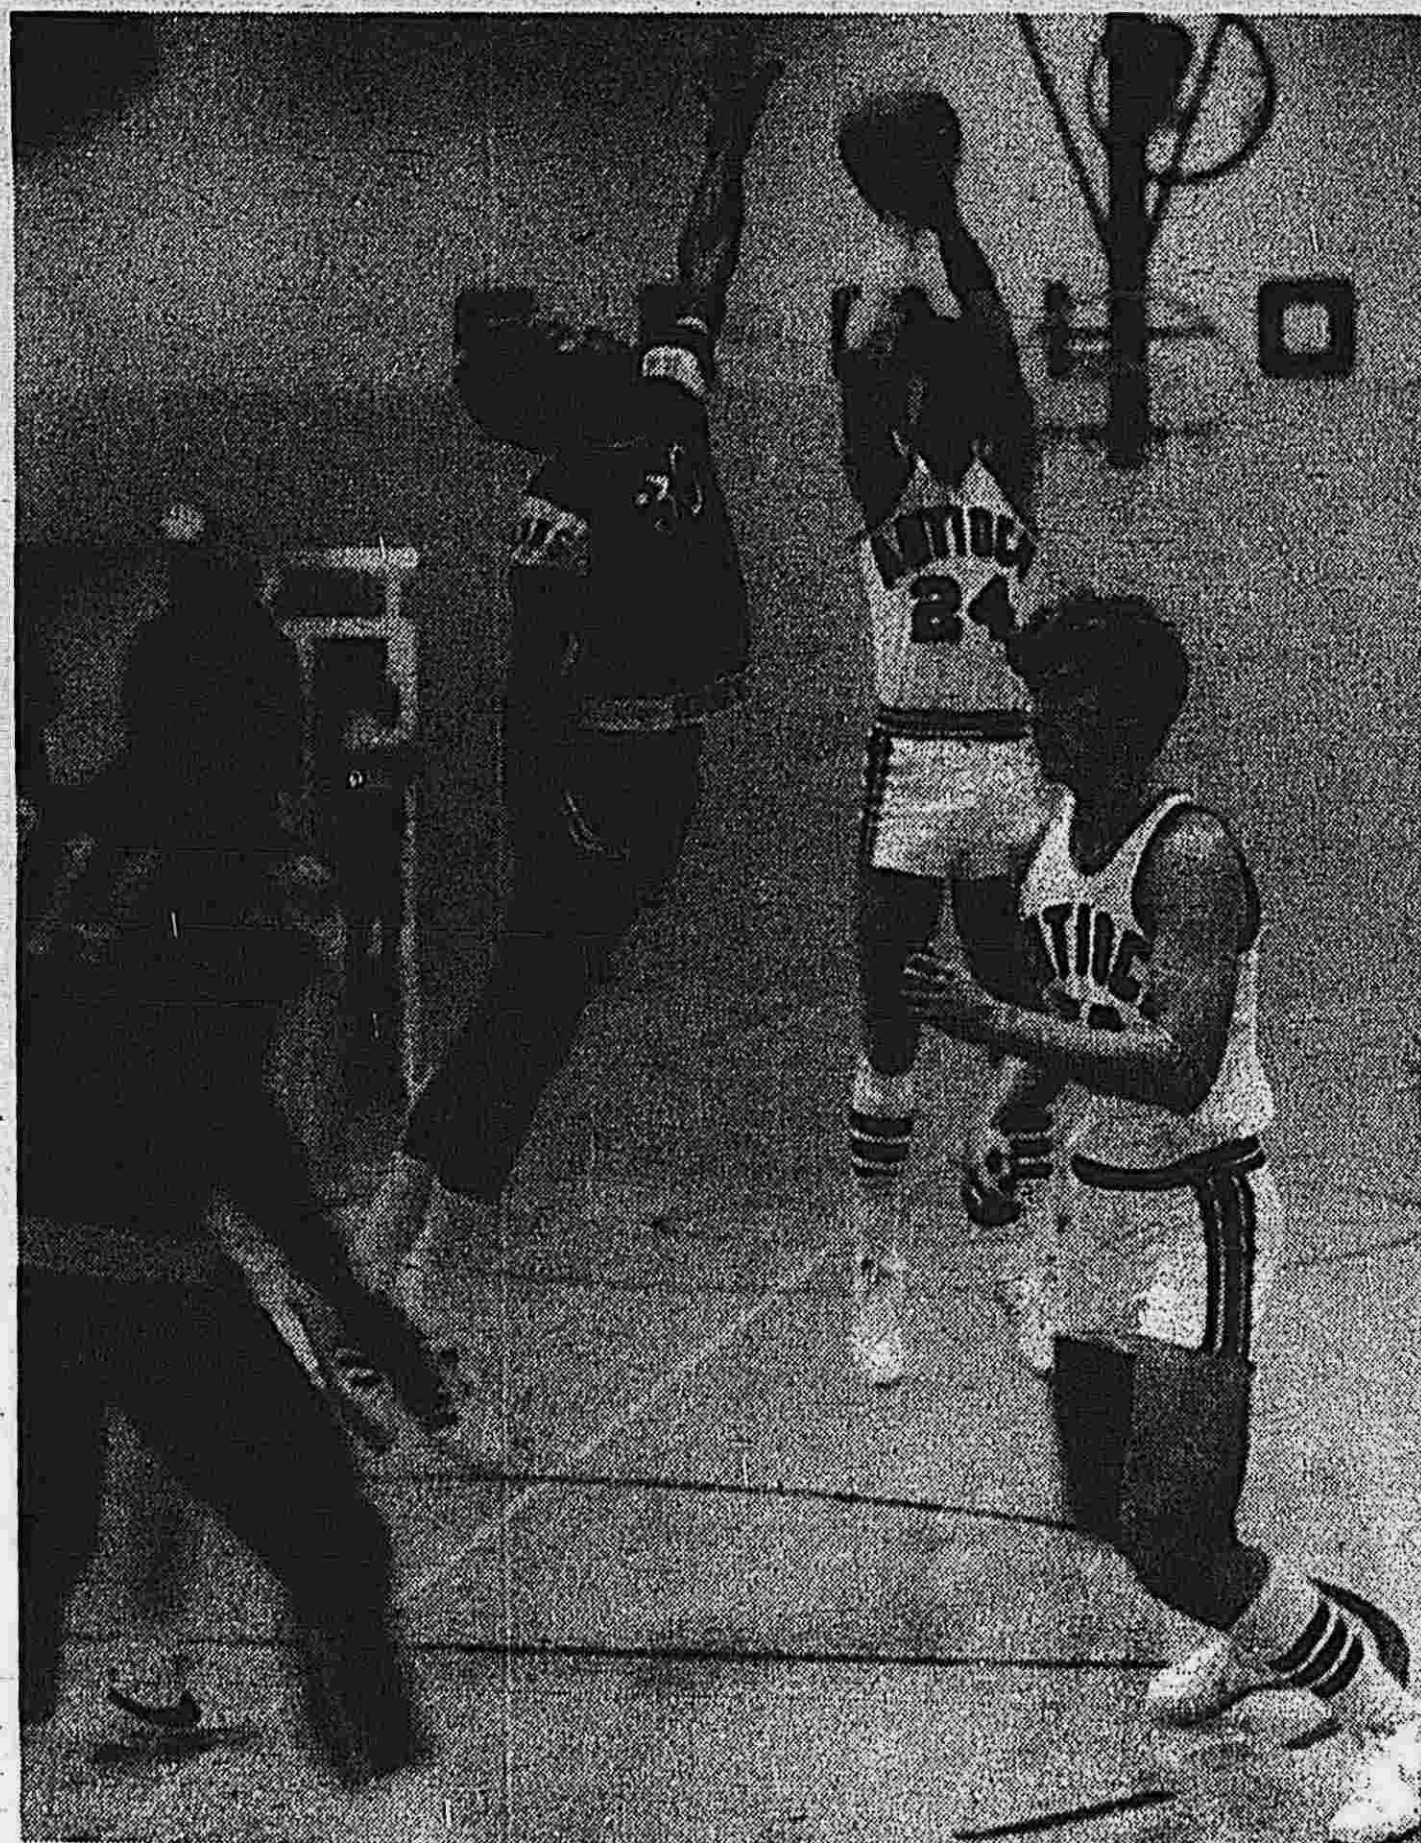

DENNIS KORJENEK pops a jump shot after faking a North Chicago defender off his feet. The Sequoits upset the Warhawks, who were considered the best team in Lake County. Now, maybe Antioch is.

The ice cream sundae is said to have originated about 1897 in the Red Cross Pharmacy, in Ithaca, N.Y.

BRIAN ANDREWS escapes North Chicago's defense for one of the field goals that led to Antioch's thrilling 56-53 win last Saturday.

WHEN ANTIOCH DEFEATED North Chicago here last Saturday, it wasn't because the visitors weren't trying. But this attempt to stop Bill Dubek (No. 24) failed and Dubek finished the game with 24 points. The Antioch player in the foreground is Tim Huebner. (Photos by Bob Nasenbeny.)

## Along the way with ANNIE MAE

THE MOST DELIGHTFUL surprise we received Monday night, as we labored to put out this Christmas edition, was the arrival outside our offices of the caroling group headed by pastors Steve Williams of the United Methodist church and Phil Laurin of St. Stephen's Lutheran.

After brightening our evening with carols, they sang on down the street ... so maybe they made your Monday a little lighter, too.

Although Century 21, Michael Warren & Co., won't be holding an open house for its new offices at 974 Main St. until a little later, the realtors will be leaving their present location at 392 Lake St.

They will be holding a "Good-Bye Party" on Wednesday, Jan. 14, from 3 to 6 p.m., inviting all the businesses and merchants located on Lake St.

"This will be our final chance to let them know how good it's been to have them as neighbors for the past five years," said Mike Warren.

DID YOU SEE the nice tribute paid to PM&L Theatre of Antioch by John Rice, a correspondent for the Waukegan News-Sun?

Commenting on the recent children's play, "Many Moons," Mr. Rice said:

"The cast was made up entirely of children. There were no adults on stage to help out whenever a trouble spot appeared. This was quite impressive when one considered that the children were on stage for one and a quarter hours and rarely had problems with their lines.

"Don Beveroth deserves praise for his direction. Working with children in a play that is produced for a large audience is difficult. He was able to keep his cast together and the play moving through very crisp pieces of dialogue.

"Dave Moffat as the jester bounced around the stage and Jim Fabry, as the king, kept the audience giggling at his frustration. Lori Koenig played the wizard's wife who constantly interrupts as she tries to finish what others begin to say. This was a tricky maneuver to perform on the stage and she deserves credit for doing it well."

THE READERS ALWAYS WRITE, thank goodness. Yesterday we received a Christmas card from San Diego, Calif., addressed to (of all people) "The Great Annie Mae of the Great Antioch News."

It was from Jane Verkest and clan. Jane said that 1977 brought two new granddaughters, "as sweet as angels from heaven."

"Now an even six, three boys and three girls," said Jane. "Has Grandma here in a whirl."

WE ALSO RECEIVED a card from Petey and Vic Filip who now live in Sebring, Fla. Petey, who was a most

popular employee at the State Bank of Antioch, says she "enjoys reading the news from home, but surely doesn't envy any of the weather we've had."

"Happy Holidays from us down here in the sunshine," Petey added.

LOTS OF OUR FAVORITE people have been celebrating birthdays. For example, Jack Toepper on Dec. 17 and three fellows on Monday, Dec. 19 - Gerry Vander Meer, Jim Koppa and Jim Fields.

Today, the 21st, is Karen White's birthday and Sue Ellen Johnson will celebrate on Friday, the 23rd.

Before we publish our Jan. 4 issue, Louise Gutowski will be having a birthday party on Dec. 26 and Jeri Gutowski will be 10 years old on Dec. 28.

AFTER TUESDAY'S SNOWFALL I definitely have decided to move to Hawaii. Did you see the story in the daily newspapers which said Hawaiians live longer than Americans in any other state?

Also, residents of the nation's capital have the shortest life span and Illinois is well down the list, 37th.

Other states in which people live in the longest are Minnesota, Utah, North Dakota and Nebraska. It's those industrial areas that help kill us.

Current life expectancy in the United States for all races is 69 years for a man and 76.7 for a woman. Hawaii has an average life expectancy of 73.6 for men and nearly 80 years for women.

See, in Hawaii I could expect to live for another 40 years ... and in that climate it would really be living.

### Happening

About 160 members attended the Christmas party of the Antioch Association for Retired Persons.

President Esther Aiani said more than 400 gifts were given out. She thanked Antioch's three financial institutions and two funeral homes for donating gifts.

The Antioch chapter meets at 12 noon on the second and fourth Tuesdays of each month at

Father Frawley hall in St. Peter's parish.

merry, merry, merry

thanks for a memorable Christmas.

### Little gifts she can use

Looking for some extra delights to put under the tree for mom? Here are some ideas for extra little presents she's sure to appreciate!

A purse size cosmetic case is always a welcome gift. Buy one that's roomy enough to hold all her daily cosmetics, yet compact enough to fit into her bag with room to spare. Some cosmetic cases are made in fine leathers and suedes, some come in durable, wipe 'n clean vinyl in pretty colors and designs.

Women can never have enough pantyhose or stockings. Check her style and color preference and size, then give her a dozen pair wrapped up in a pretty box.

If any of the ladies on your list have pierced ears, you can purchase an earring tree that holds all of her favorite loops and ear studs in order.

There are a number of handy lucite cosmetic trays on the market that will keep a woman's make up and odds 'n ends neat and orderly.

Sachets are a lovely gift idea. She can place them in all of her bureau drawers for pretty accents with a pretty, long-lasting scent.
